

**Identification**

**Letter E: James**

**Level awarded**

Level 2A

**Reasons why this level, and not the level above or below**

- a good structure is evident with an appropriate greeting and ending
- sentences are accurately punctuated
- some elaboration can be seen e.g. 'I have worn my own clothes'
- the variety of connectives used is limited e.g. and / because
- some variety in vocabulary can be seen
- the accuracy of spelling is very good with some plausible attempts at words such as opposite/opersite and millions/milleons
- whilst there is some variety to hold the reader's interest it is felt that there is insufficient to award a level 3
- handwriting is attractive and legible with clear ascenders and descenders
