

JJB Stadium Visit

On the 18th of October 2006 we went on a trip to the JJB stadium. We visited the soccer dome to do rugby practice. We were split into to groups and we went on different pitches. I was in group two. We had to get into two teams. We had an obstacle course. We had to run around the cones and jump over bars the run to be line. The first one to get back wins. We were learning how to pass the ball, run with the ball and how to handle it. Our team won. It was good we all had fun. Then we went to the other coach called Ryan. We had to run up and down doing different things each time. There were 4 different teams we came second. In the end we all got together and he said that he had a wonderful day with us. And he said we were wonderful. Two of us had got a hat and scarf. He told the teachers that they had to pick 1 person from each team. Mrs Stevens picked Josh Cumberbatch and Mrs Stockwell chose Chloe Morris. After that we went out of the soccer dome.
